PUBLIC NOTICE

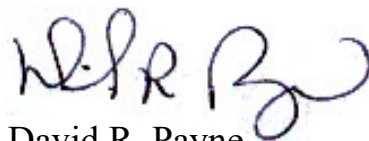

Section 3506.14 of the Ohio Revised Code requires Boards of Elections to test and audit the variable codes applicable to that election, and to conduct systematic logic and accuracy testing of every component of every voting machine, marking device, or piece of automatic tabulating equipment to ascertain that the ballots are accurate and that the machines, devices, and equipment will accurately record, mark, or count the votes cast for all offices and on all questions and issues, as applicable.

Testing for the August 8 Special Election will begin on July 5, 2023 at the Franklin County Board of Elections, 1700 Morse Road, Columbus, OH 43229, and continue until completed.
